

EQUIPMENT NEEDED

For Keith Abraham CSP

Keith will be conducting a powerpoint presentation and usually travels with his own data projection unit and laptop. You will need to supply the following additional items: -

- Large screen to suit audience size - example 8 x 6 ft (max 80 pax) 12 x 9 ft (approx 150 - 200), 14 x 10 ft (2 screens needed for 500 pax)
If you have queries on this, please do not hesitate to call.
- C.D Player (For audiences over 50 delegates)
- Clip on label microphone if over 40 delegates
- 2 small tables for data projection unit and resource table

At the Venue Keith will be contactable on 0411 8080
